

SHIPPING PROGRAM INCENTIVES

PROGRAM HIGHLIGHTS

- Custom made, reusable shipping boxes (provided FREE of charge)
- Continual work flow with return shipping labels with every shipment
- No waiting for route schedule
- Complete UPS tracking of shipment
- Discounts and pre-paid shipping charges help your profits

PROGRAM DETAILS

If you ship units to ECS for service you will receive the following incentives

1. Ship in 2 or 3 units and receive 10% labor discount on repairs.
2. Ship in 4 or 5 units, ECS will pay for the return freight, no labor discount.
3. Ship in 6 or more units, ECS will pay shipping costs both incoming and return via UPS Return Shipment Label, no labor discount.
4. If you are shipping 6 or more units, call us at 1.800.486.1020 with the package weight or a description of the contents so we may calculate the weight. We will then generate a UPS e-mail label to the e-mail address of your choice. You will receive the e-mail at the end of the business day that you place the call. If you have more than one package you will receive an e-mail for each package. Do not delete the additional e-mails as you must open and print one for each package.
5. If you continue to regularly use our UPS service we will send a UPS return label back with your equipment so you will always be ready to ship units out at your convenience.
6. After you have your label(s) just affix them to the box and give the package(s) to any UPS driver or drop it at any UPS store.

It really is that easy. If you have any questions at all, call us at 1.800.486.1020

WE THANK YOU FOR YOUR CONTINUED BUSINESS
